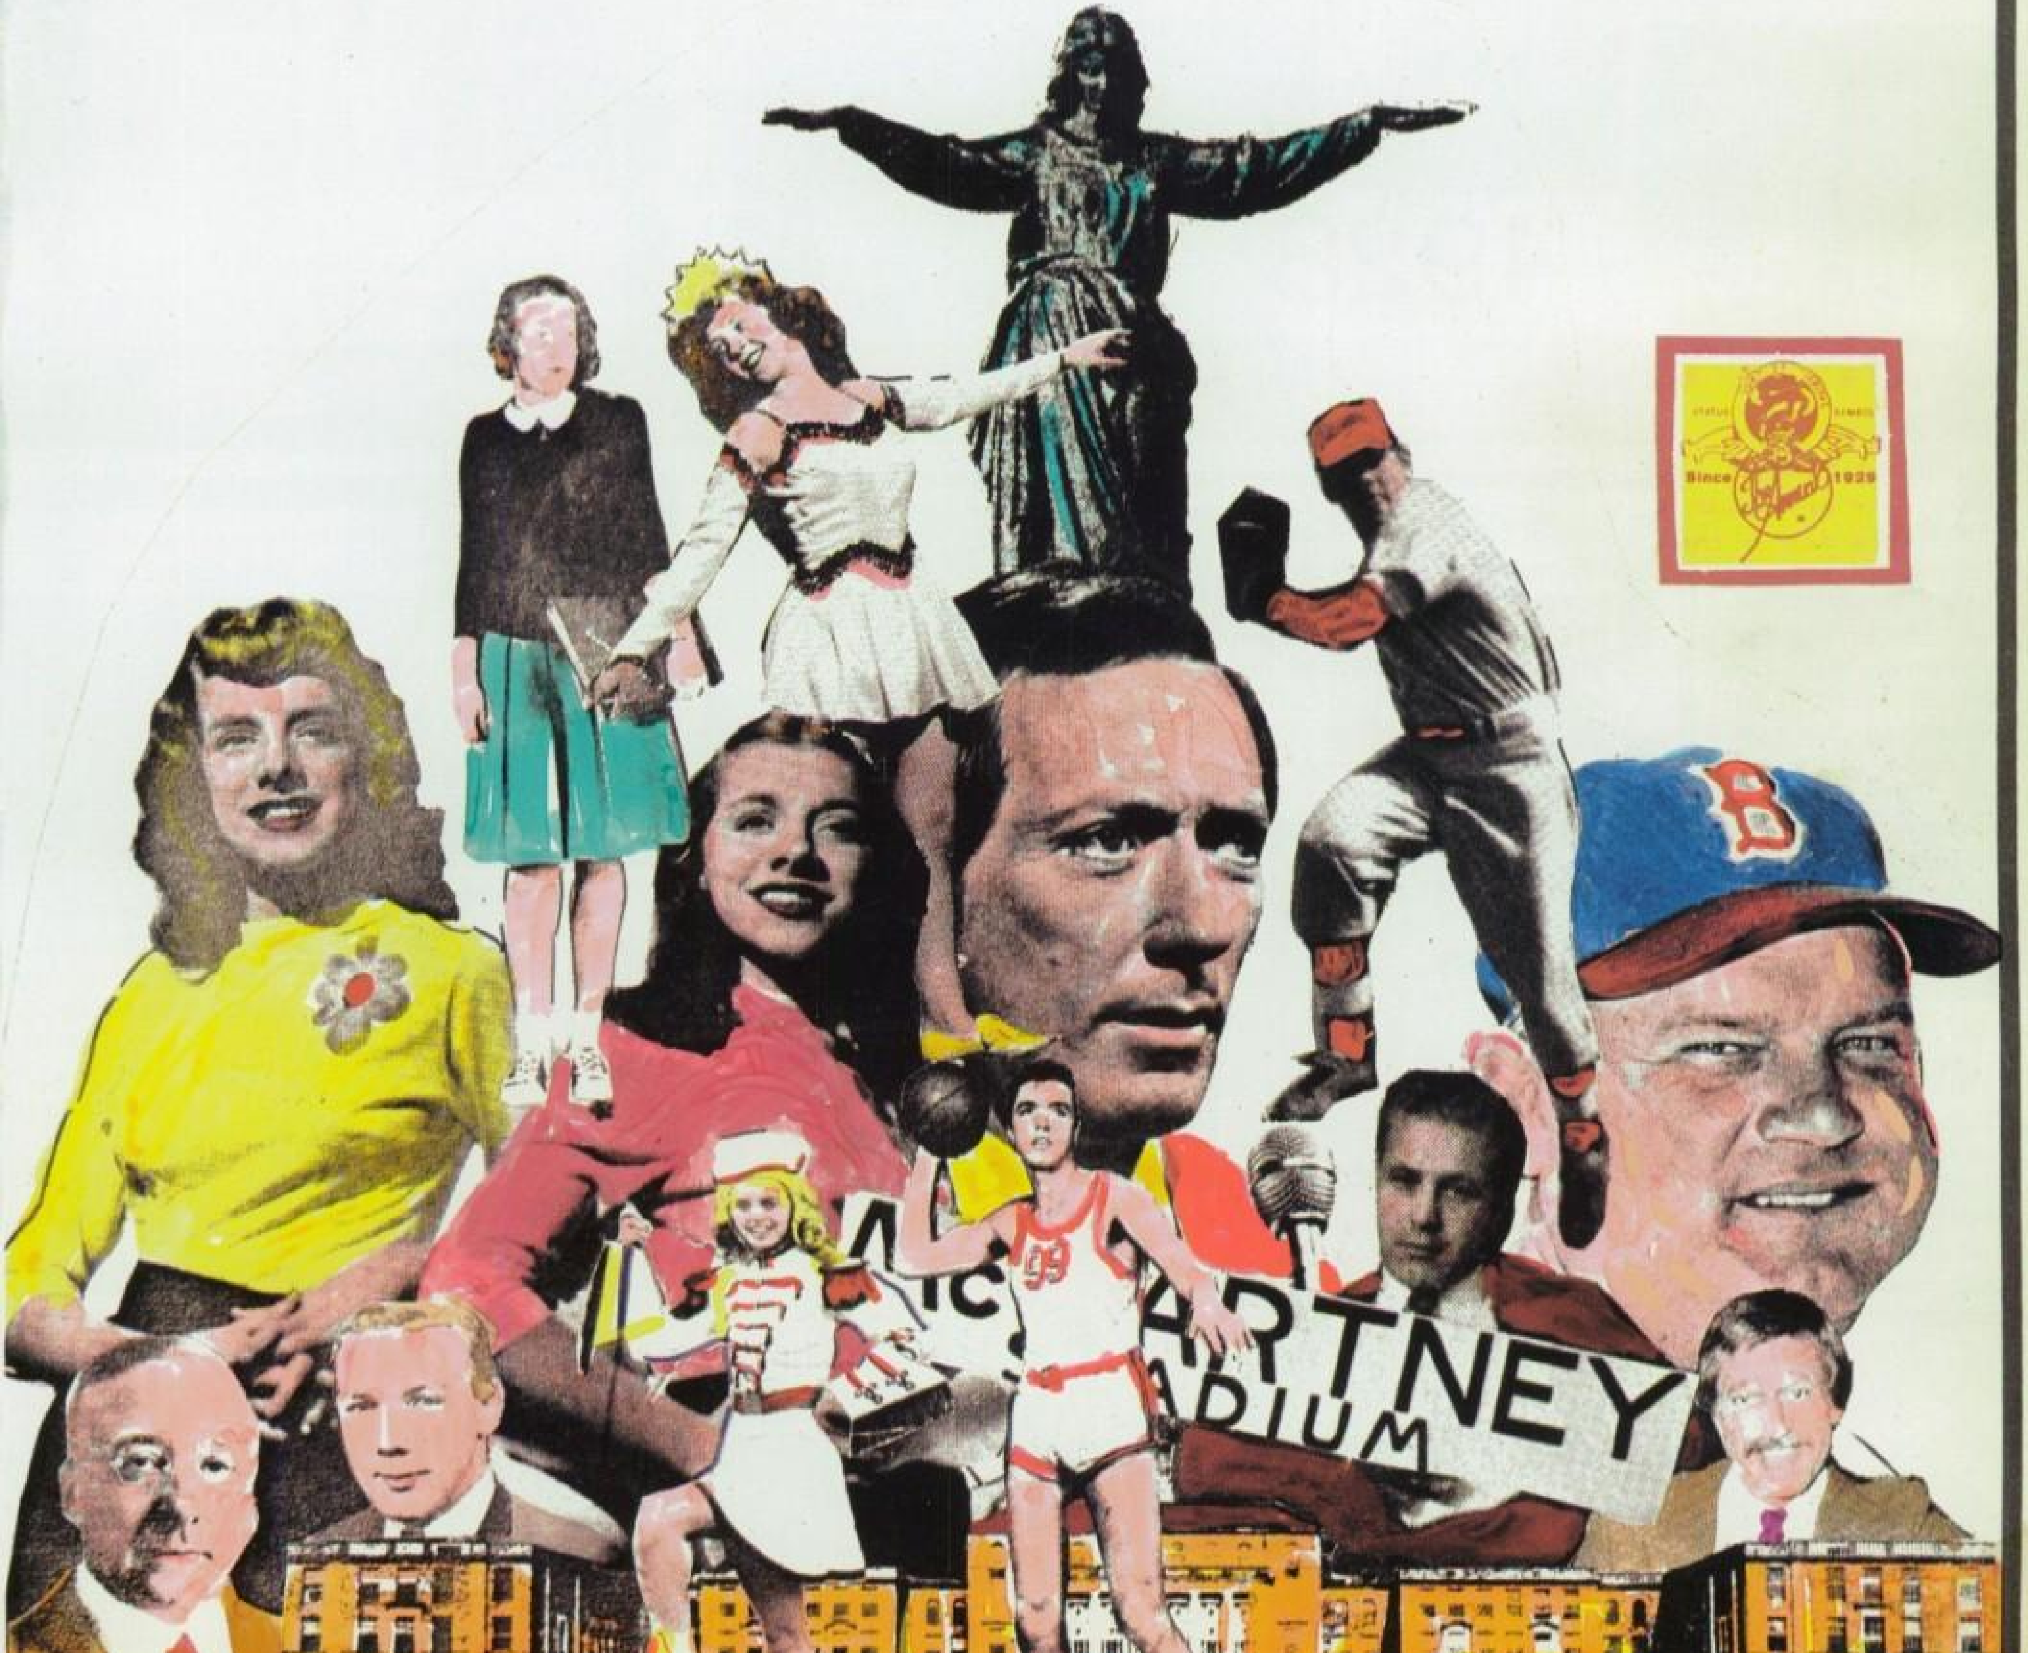
A Sentimental Journey

A CONCISE HISTORY OF WESTERN HILLS HIGH SCHOOL

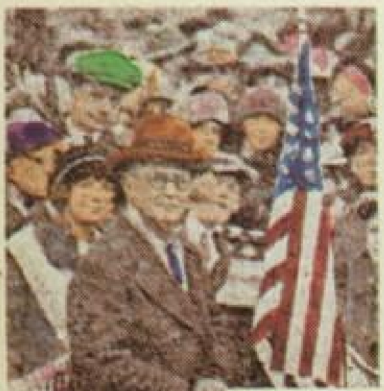
Prologue

The city of Cincinnati is celebrating its Bicentennial Anniversary this year. 1988 also finds another important event being celebrated: the 60th Anniversary of Western Hills High School. On the following pages we invite you to take a journey down "Memory Lane" and recall West High's first sixty years. We invite you to remember a school rich in academic, artistic, and athletic tradition. We invite you to recall the times, the people, and the events which have made West High special. We invite you on *A Sentimental Journey* —West High, Best High, West High, for dear old West High on the hill. Enjoy!



DEDICATION

On March 19, 1926, 700 people watched John H. Carson break ground for Western Hills High school. Architects Garber and Woodward designed the school in Italian Renaissance style.School to cost over $1,000,000 when completed.



Mr. Siehl helps plan building and designs a six year comprehensive curriculum (7-12) the first of its kind in Cincinnati. First issue of Breeze published and fight song written by Gustav Bieser.

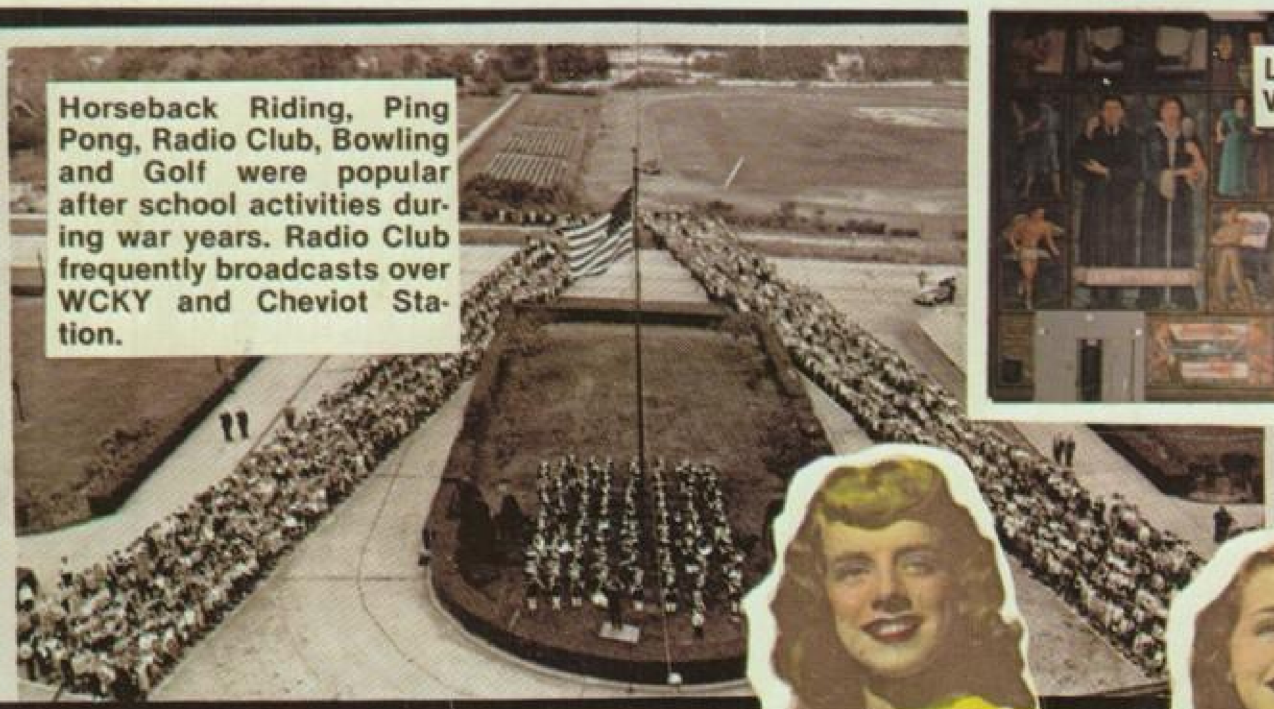
During the early 40's (war years), patriotism was prominent in all school activities. Seniors were heading for the armed services instead of college. In spite of rationing, West High students present Thanksgiving baskets to the poor. Homerooms participate in War Stamp contest.

Classes were interrupted on Oct. 7, 1940, so that the World Series Game between the Reds and Tigers could be aired over P.A.



Horseback Riding, Ping Pong, Radio Club, Bowling and Golf were popular after school activities during war years. Radio Club frequently broadcasts over WCKY and Cheviot Station.

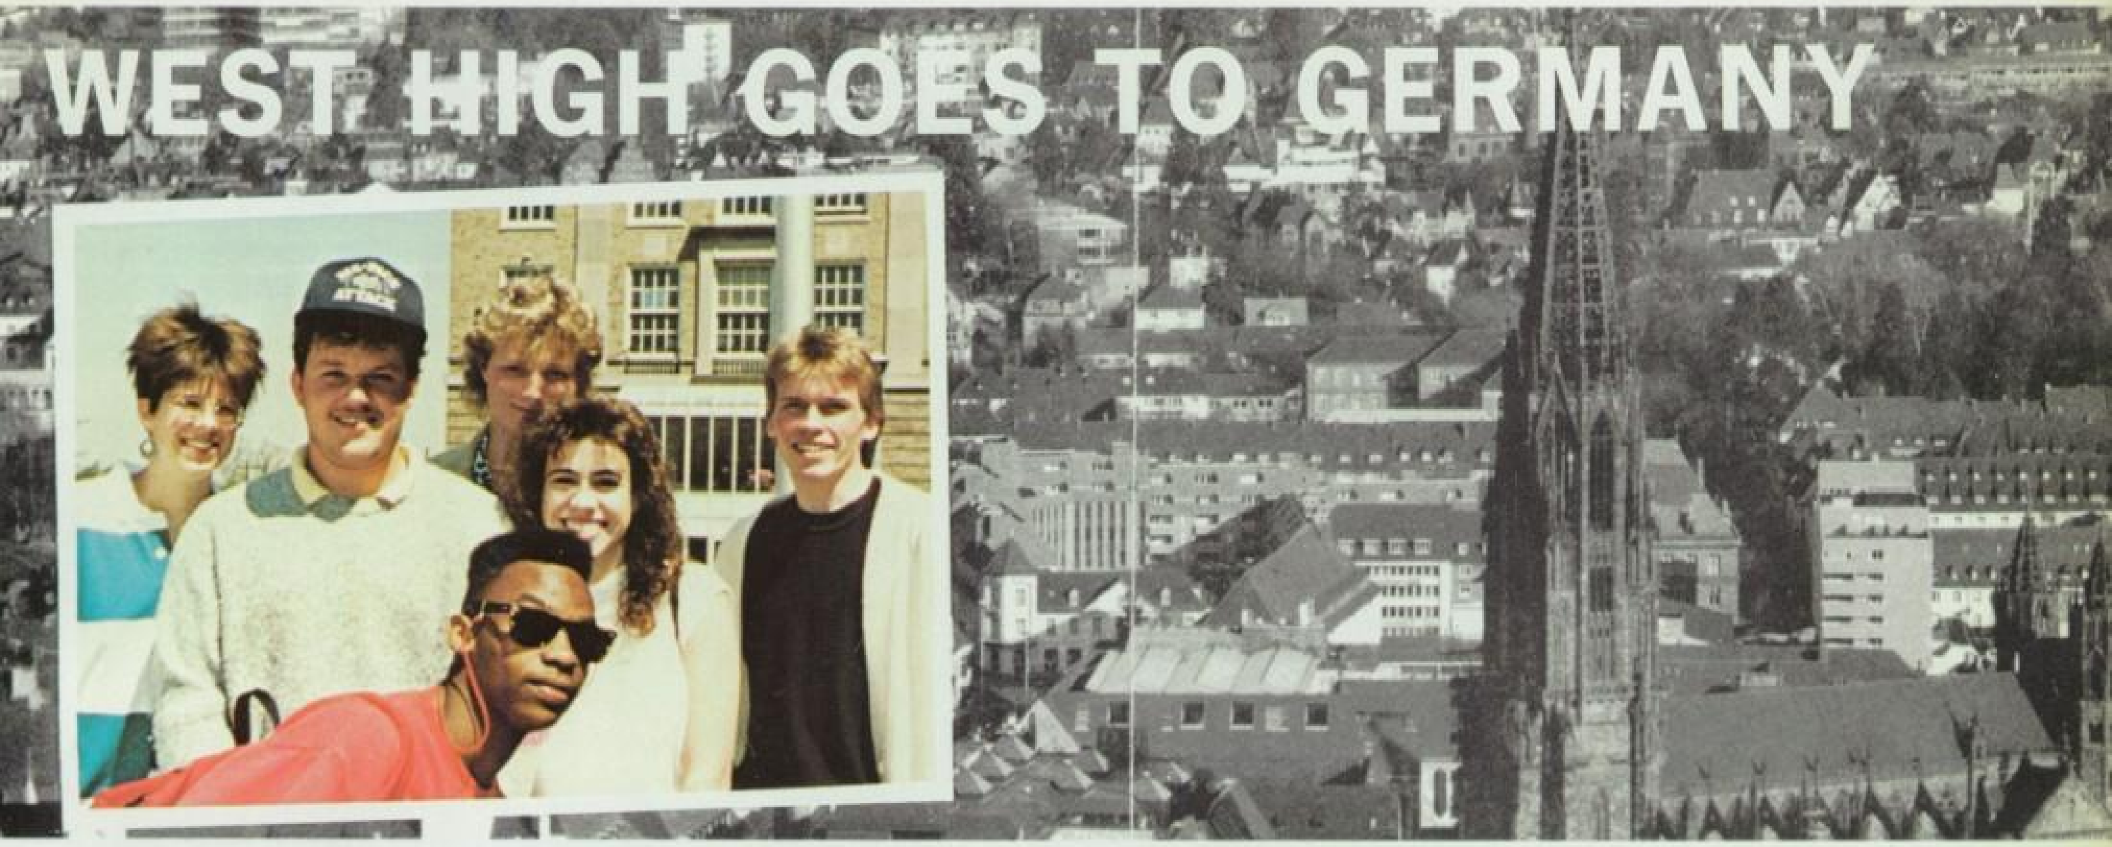
WEST HIGH GOES TO GERMANY



FREIBURG: THE STORY

WHO? 13 West High students in German classes
WHAT? A Trip to Europe.
WHEN? June 8-July 4, 1987
WHERE? Freiburg, West Germany
WHY? To learn more about the German language and culture.

In June, 1987, 13 West High students trecked to Freiburg, West Germany, as part of an exchange program between West High and Staudinger Gesamtschule. The students left on June 9. From Frankfurt the students hopped a train that would take them on a two hour trip from the heart of Germany to the center of the Black Forest. While in Freiburg, the West High students branched apart to live with several host families. After resting, all went to their partner school, Staudinger.

School life in Freiburg begins at 8:00 am and ends at 12:00 noon, when most of the students go home for lunch or to spend an afternoon downtown. Of the activities at the school, a grill party was enjoyed. The school also took us on a field trip to Strassbourg, France, and Bern, Switzerland. In Freiburg, we were treated to a tour of the city and a meeting with the mayor of Freiburg, and also a hike through the Schwarzwald, and as a wrap up—a tour of the Badische Zeitung, Freiburg's largest newspaper.

As time went on, a few adventurers became home sick, but this was quickly relieved by ventures into the shops, cafes and discos. Soon, the time of our departure came. With a teary eye, we boarded the train to Manheim. From there, we took another train to Frankfurt. From Frankfurt we arrived in New York after a five hour delay. From New York, the group flew to Atlanta, Georgia, and then finally up to Cincy. All were glad to be home at last.

60th ANNIVESARY
A GEM IN THE GENIUS
THEME FOR 1988 ANNUAL

Throughout the year, as West High celebrated its 60th Annivesary and our fair city of Cincinnati celebrated its bicentennial, the Annual Staff worked long and diligently to produce a commemorative yearbook that would be cherished for many years to come. Under the watchful eye of advisor John Wilson, the staff planned, occasionally protested, but finally put forth a gallant effort to embellish the theme, "A Gem in the Genius". The staff members, as well as the journalism class, endeavored some trying experiences. The famed literary phrase, "things are not always as they seem", was proven true. Everyone finally realized that there were not any "little elves" that were going to come in at night and do the work for them. Putting in endless amounts of t.l.c., not to mention long and tedious hours of labor, producing the Annual was a task in itself, but as you look through the following pages we know that it will be worth it. After all, if it were not for you, there would not be a yearbook to keep all of those special memories, so close to our hearts and yours, made here at West High! So without further adieu; Enjoy!

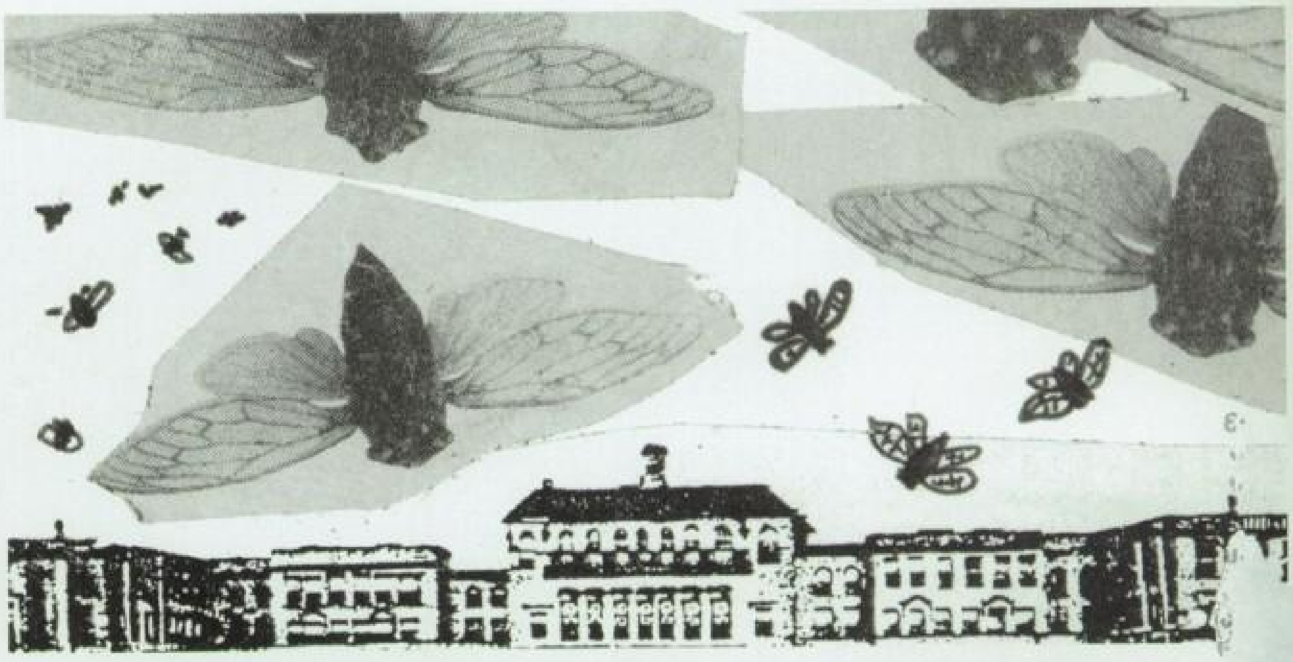
They Came From Beneath The Trees

Below—A small attack force ready to ambush any passing student.

It was a cool evening in May 1987. Students were sitting at their desks reading the latest copy of *House and Garden* when they heard a terrible noise that chilled the warmth of their hearts. Something so horrible it could only be found in a nightmare. After seventeen years of hiding, *they* came back; it was *The Attack of the Killer Cicadas.*

Without warning, they invaded our fine community, chewing and infesting every tree that was in sight. Pitty the man, woman, or child who attempted to start a lawn mower as the beastly critters flocked toward their helpless victims. Throughout their eight weeks of occupation, good citizens of Cincinnati were driven almost mad by the unstopping chirping of their mating call. Their forces moved into every neighborhood. Their target, the trees.

Many brave freedom fighters were lost in the battle, while innumerable cicadas overwhelmed small groups of students. Finally, in late June, a small attack force of children won a major victory over the cicadas. During the long shell-to-shoe combat the tide turned in our favor as the cicadas began retreating to various unknown, underground shelters built by their forces. Will we be prepared? More at 11:00 . . .



WHHS SPORTS COMPLEX

The Western Hills High School construction classes, supervised by Mr. Duwell, began construction on a new sports complex in McCartney Stadium. Work began in late March of 1987. The new facility will be used for a coaches office, a weight room, and a football locker room. This new addition to the Mustangs' field will complement the press box that was installed last year.

CHEERLEADERS SUMMER CAMP

Over the summer the Western Hills cheerleaders attended an NCA Cheerleading camp at Wittenberg University, in Springfield, Ohio. They were there for four days and three nights. Despite the smiling faces you see on this page, many hours of hard work, not to mention dedication, were put in. Practicing from 8:00 a.m. until 7:[illegible]0 p.m. proved to be a task in itself. While there, the cheerleaders learned to better themselves in cheering, as well as promoting school spirit. As a squad the cheerleaders won several [illegible]e ribbons, a spirit stick, and megaphone for [illegible] their hard work. It paid off; their season proved to be one of the best ever. 1987 Mr. Western Hills—Kevin Hutzel

On the night of October 2, 1987 the traditional Mr. Western Hills dance was held in the Vocational Lunchroom. The dance, sponsored by the Western Hills cheerleaders, is a yearly West High function. Seven finalists were chosen from the senior English classes. To qualify each candidate had to be a senior, a varsity letterman, and hold a "C" average. Everyone patiently awaits the crowning of Mr. Western Hills. Finally the moment arrived. The 1987 Mr. Western Hills was Kevin Hutzel. Congratulations to Kevin and the other candidates: Elonzo Coppins, Mike Middleton, Gilbert Peoples, Kevin Sheehan, Orlando Smith, and Tony Spicer.

Western Hills Administration

The Backbone of West High

The members of the West High Administrative Staff have helped to improve the standards and quality of our educational system. They have given much support to the School as well as to the community over their years of service. They have readily given their time by listening to questions as well as offering suggestions to students, faculty, and parents. Though their work is not easy, they have personified the dedication and hard work necessary for academic standards of which we have an abundance at West High. They all have the "Right Stuff".

First Row left to right: Robert Anderson, Diane Taylor, Charlene Williams, and Second Row L to R: Stephen Ranker, Raymond C. Finke and Dennis Matthews.

Those who keep it together

Western Hills secretaries deserve much recognition for their many hours of work. Not only did they type the memos of the day but handled the questions of both staff and students. Without them West High would cease to exist.

First row left to right—M. Walther, M. Keck, M. Vetter, G. Pfalzgraf, J. St. Charles, J. Pitstick. Second row left to right—S. Peak, P. Gutzwiller, N. Schmidlin, G. Gerbus, R. O'Neil, J. Diehl, B. Goosmann, M. Hartkemeyer, R. Martin.

Let's Root, Root, Root For The Mustangs If They Don't Win It's A Shame . . .

Once again this year the Mustangs took to the field under the expertise of Coach Ken Selby and his assistants Mark Hicks and Mark Thompson. The season started in March with all thoughts turned towards winning the M.C.C. title. The leadership of senior captains Greg Sharp and Ed Bergen helped to guide the team towards its goal of winning. Home games were held on Paul Nohr field in Arch McCartney Stadium, one of the finest baseball facilities in Southwest Ohio. The Mustangs tried to strike out their archrivals Elder, Oak Hills and LaSalle, 'cause it's one, two, three strikes you're out at the old ballgame.'

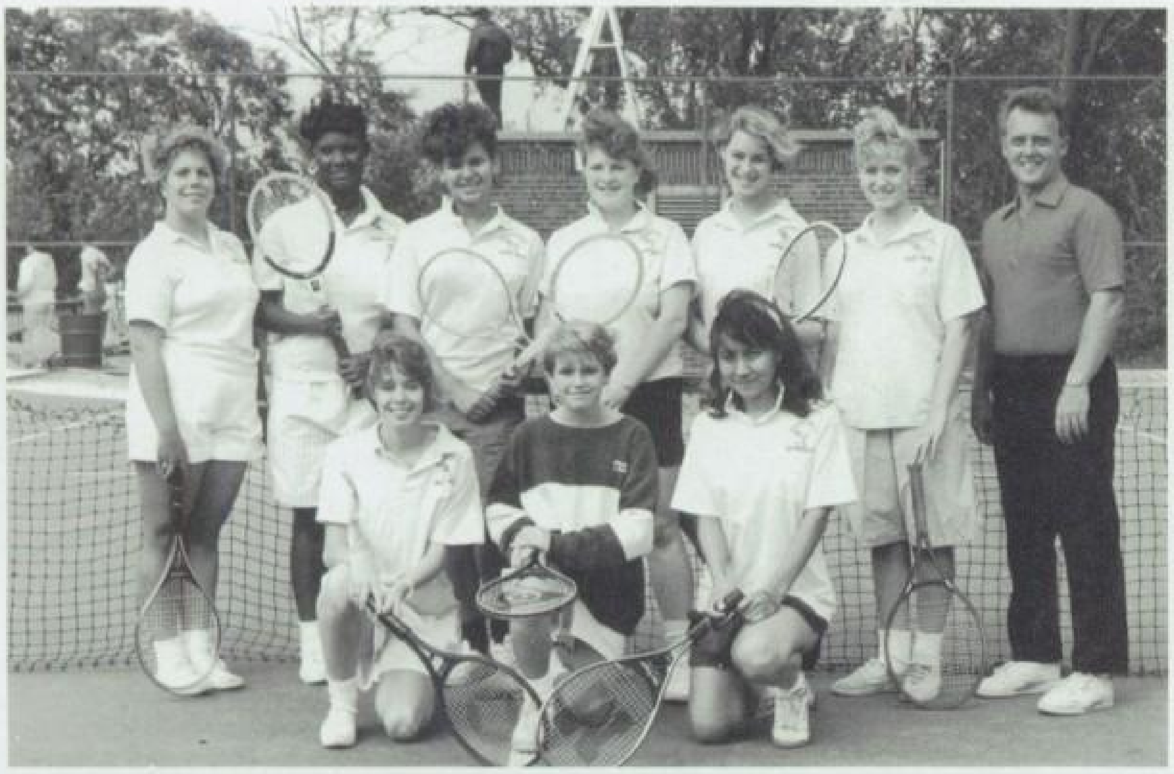
New Team Makes Progress



The Girls' tennis team had a rebuilding season this year. The team consisted of all new players, except for returning senior Vicki Shreve, who was Co-Captain along with Tonya See. The girls faced many challenging teams throughout the season. They gave it their best shot and defeated a few tough teams. Coach Eagan was very proud of their hardwork, and looks forward to an even better season next year.

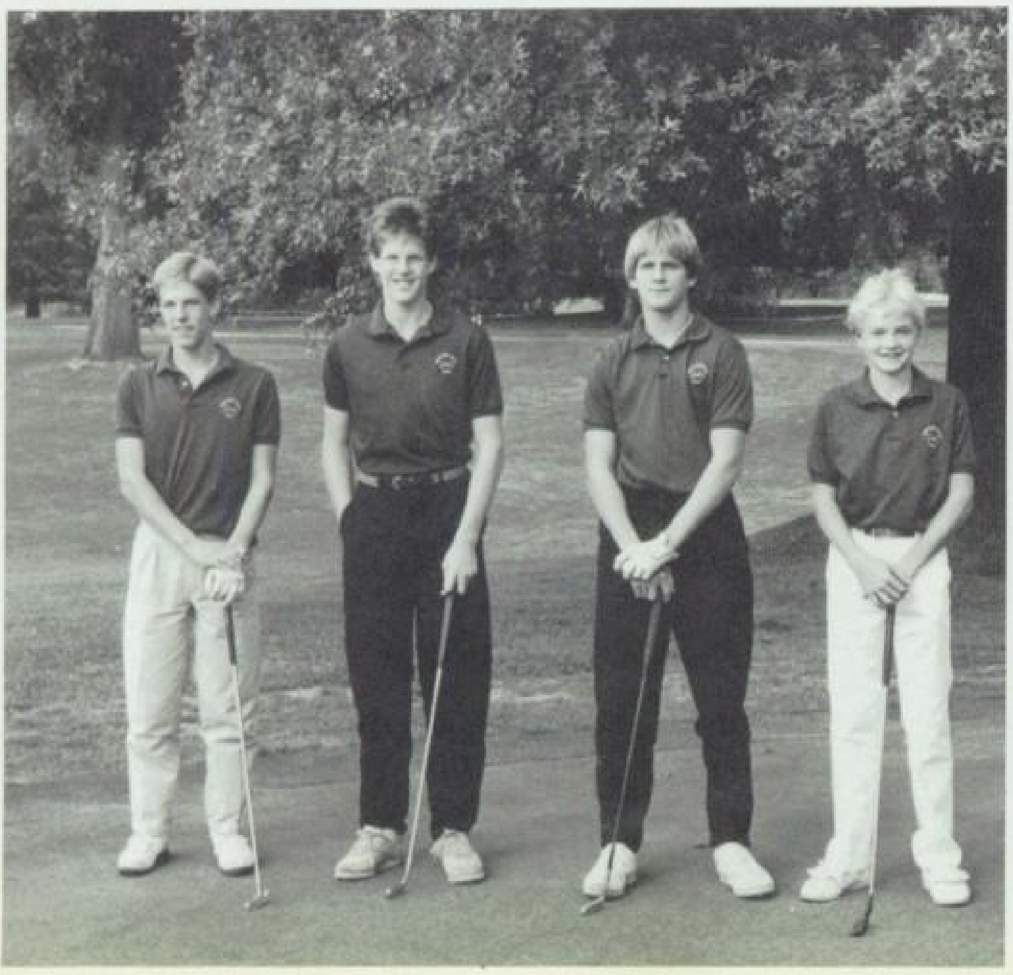
Players Make Par



The story line for the 1987 edition of the Mustang golf team: "Small in Number, But Big in Heart." With only 4 team members, they had a lot of hard work in front of them. They endured, however, scratching out a 5-13 record and gained respect as a team to be reckoned with. The team was led by Coach McNeil and returning senior, Bill Backscheider.

This year's Girls' soccer team was one of the most talented West Hi has seen in recent years. In spite of this talent, the girls finished the season with a 2-14 record. Among their wins, Linday Schiable had a shut out as goalie. The team consisted of about 20 members, including four seniors. Junior Janice Homan was selected as a member of 2nd Team All-League. This being coach Gries' last year, he wishes the team luck and success in the upcoming season.

The boys' soccer team finished the year at 6-11-1. This year was a tremendous building year for the program. Not only did the overall record improve, but the reserve program was restored after a 5 year absence. This gave stability to the program and made the transition from the youth leagues much easier. Senior leadership was very important to the team as it set the tone for the work ethic and helped to push the underclassmen to strive for success. Seniors Kelly Cundiff, Rick Otis, Rusty Zimmer, Troy Chandler, and Joe Peters did a good job of supplying this leadership.

Cross Country—Chariots of Dire

This year's Cross Country team had an interesting season under their new coach, Roy Lagaly. The team was comprised of all young men. Co-Captains Ken Bucher and Ben Owens helped guide the team towards the finish line. Although the wins were few, the team learned a lot. They look forward to a very successful season next year.

Scott Streckfuss Leads Matmen

The 1987-88 Wrestling season wasn't all that great this year. One win and eleven losses was the year's record. Although the team did not do well as a whole, they had a few individuals who performed with some degree of distinction. Co-captain Scott Streckfuss placed 3rd at the Amelia Invitational and 2nd in the Metro County Conference. Jeff Sargent and David Briggs also placed in the Metro County Conference in other weight classes. Early season hopes were darkened by five injuries being ineligible for weight class and two starters being injured. Co-captains Scott Streckfuss and Brian Trotta were strong members of the team. Other advanced wrestlers were Jeff Sargent, David Briggs, and Robert Easton.

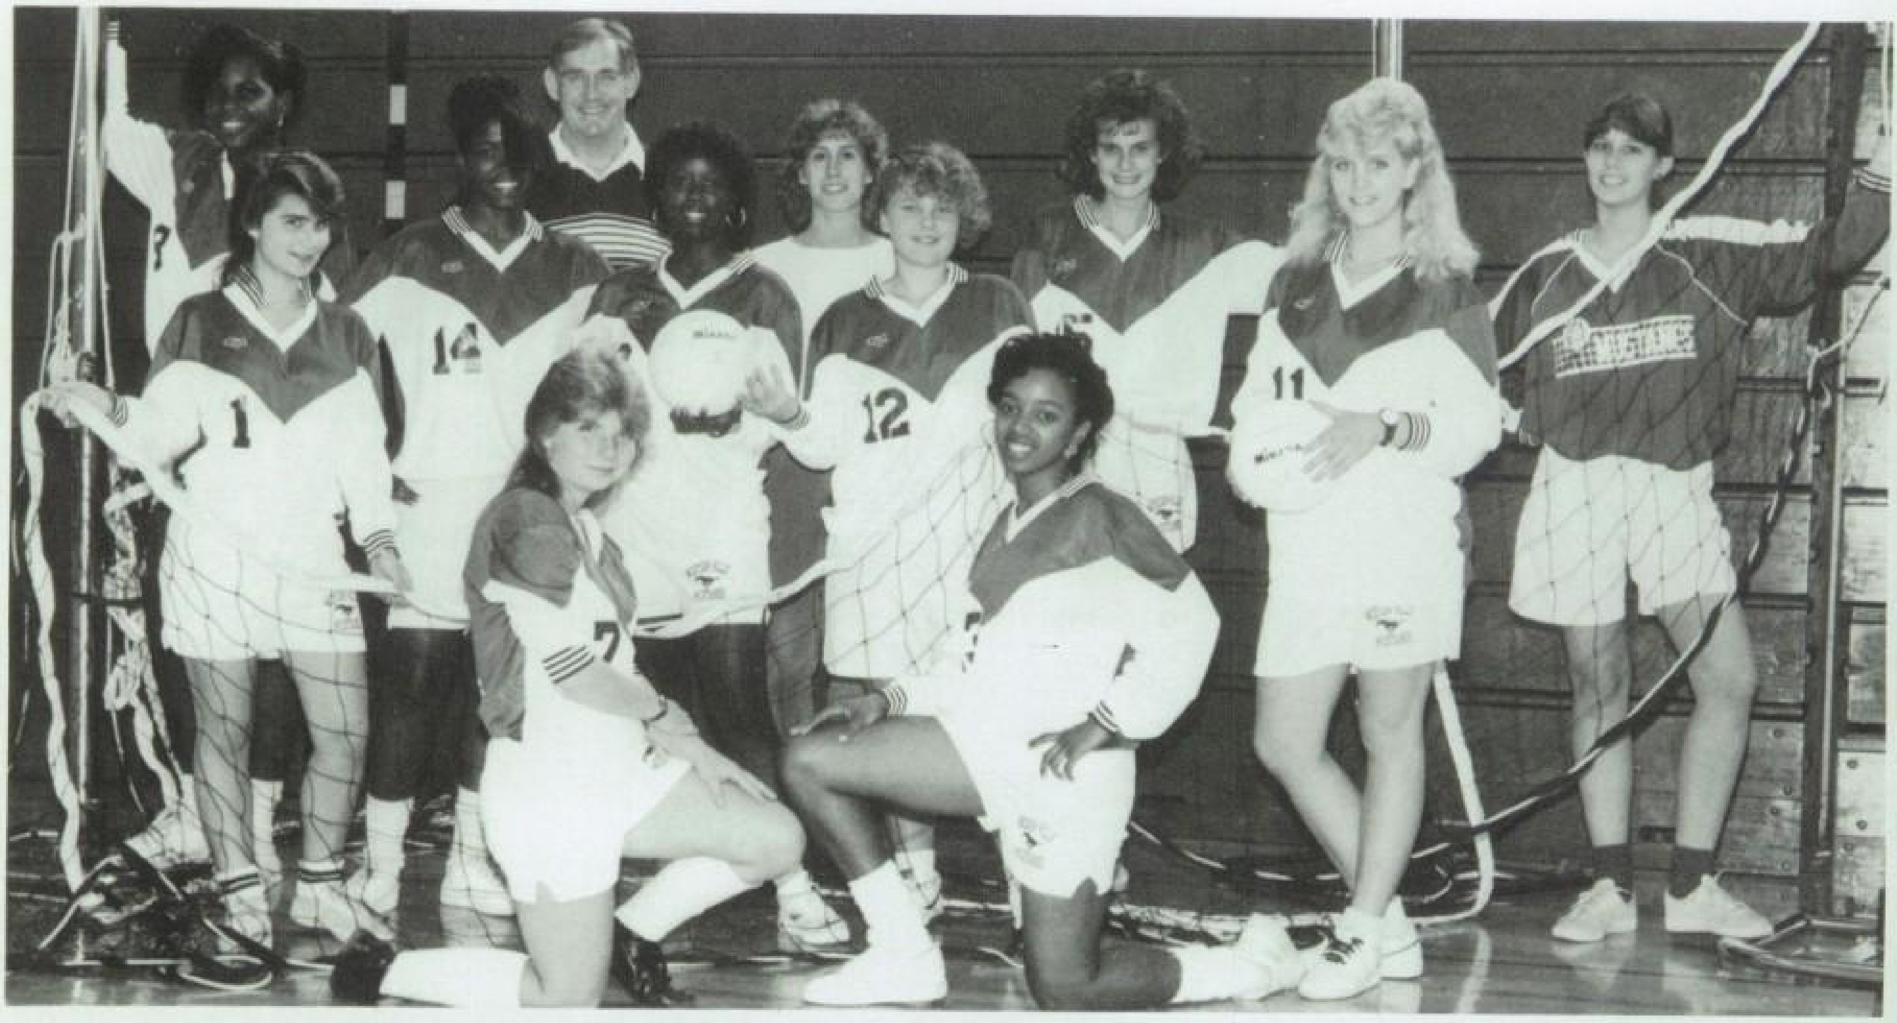
Girls' Volleyball



The volleyball season started off in August under second year coach, Pat O'Brien. Through many hours of hard work and practice, the girls survived. Their dedication and love of the game helped get them through the season. The team ended their fun at the Fall Sports Banquet. Senior Laura Marker was given the M.V.P. award. Coach O'Brien looks forward to an even better and more exciting season in '88.

The season started off with high hopes as the pre-polled 8th rated Mustangs made "lemon merangue" out of Lemon Monroe. After this initial home victory and another "sizzler" against Roger Bacon, the "pie in the sky" soon turned tart. A bitter defeat at the Elder "pit" seemed to take the heart out of the Mustangs, in spite of a next week victory at Mt. Healthy. Three consecutive losses to Oak Hills, Aiken, and Colerain followed. However, at the next game against Woodward, the Mustangs virtually "impounded" the bulldogs with a score of 7-0. Finally, the last two games of the season were played. LaSalle, lanced the Mustangs 35-21, but Walnut Hills caught the Mustangs on a night of pent up, frustrated, revenge and fell victim, 40-14. Despite the losses the Mustangs had many memorable moments, especially from senior running back, Mike Middleton and kicker, John Schubert. Wait'll next year!!!

Lady Mustangs Stepping Up

The 1987-88 Lady Mustangs' basketball team is improving every year. Deborah Coulter was the team captain and led the ladies defensively with her desire and hustle. The ladies were led by Tonya Hunt who averaged 15 points and 15 rebounds per game. The girls ended up with a record of 9 wins and 12 losses. They finished the Metro County Conference with 5 wins and 5 losses. If present skill and talent is developed, the Mustangs could have a very successful season next year.

Back Row: Coach Perdrix, Jackie Baldrick, Shauna Buelow, Tonya Hunt, Felecia Myles, Gina Folden, Front Row: Mia Thompson, Yolaunda Robinson, Deborah Coulter; Captain, Keisha Stallworth, Tasha Childs, Toni Carr.

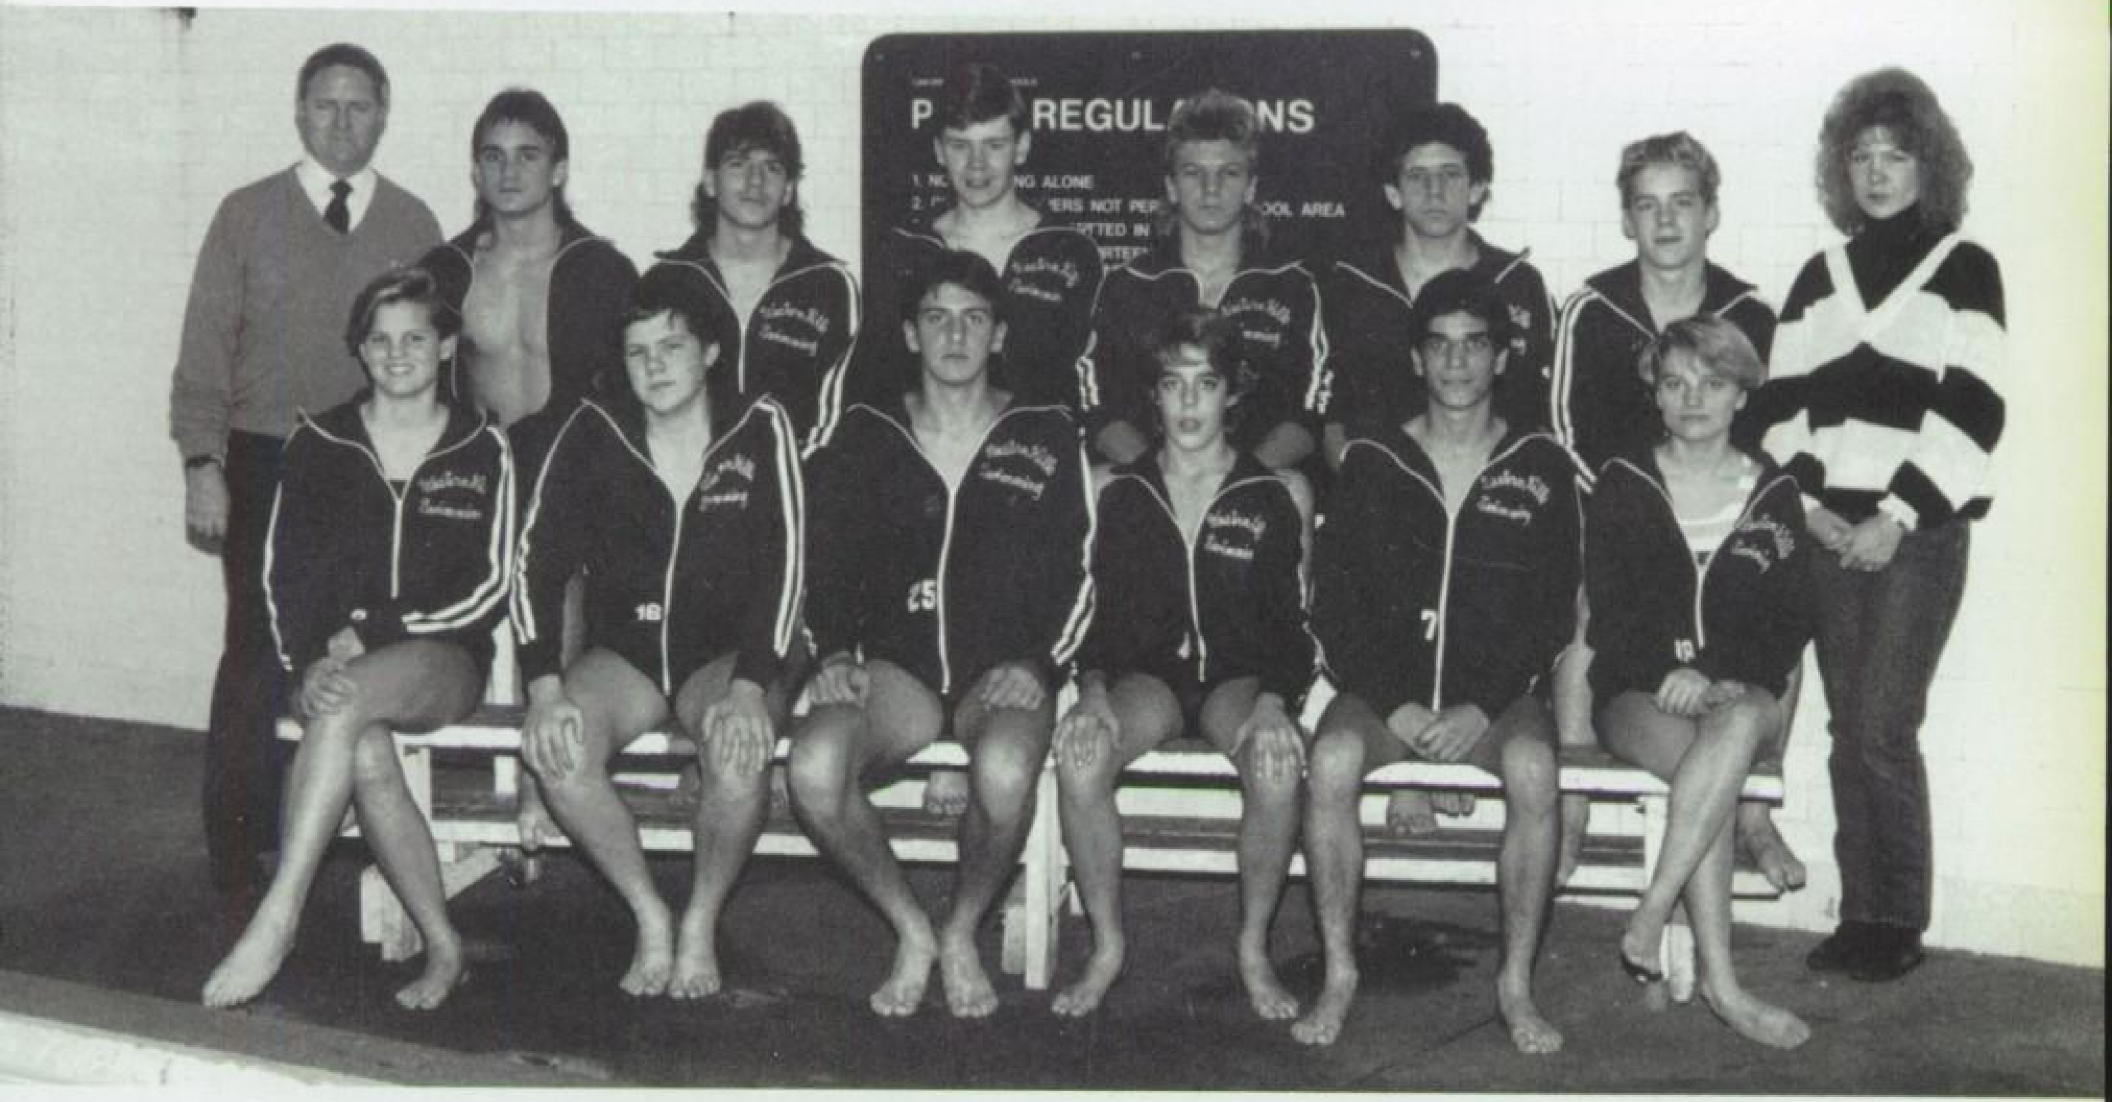
Todd Radel Swims to State



Also Swams Make Little Splash

The 1987-88 swim team was not as successful as in previous years. In short their season was a major disappointment. One reason might have been contributed to the fact that a lot of the swimmers were newcomers to West High. This is the first time in 13 years that the Western Hills team did not have a victory in swim meets. Todd Radel is the fourth swimmer from Western Hills to qualify for a state meet. He placed 6th at state in the 100 meter. Way to go, Todd!

Hardtimes at Western Hills on Hardwood

The 1987-88 Western Hills High School basketball team had a very disappointing season. After six consecutive losses, it seemed as though they were destined for a long losing season. Throughout the season, however, they put forth a gallant effort, with practices virtually everyday. Returning lettermen, Co-captains, Tony Spicer and Kevin Sheehan, led the team to victories against Northwest, thus breaking the losing streak. After that game, however, the competition got tougher and the Mustangs went down the hoop. Coach Wardwell, after a year of varsity basketball under his belt, hopes to bring the West High hoopsters back to respectability in a very short time. Good luck, coach!

West High senior lifts himself above the competition

Western Hills says it's more than jocks

Western Hills

As Western Hills High School prepares to mark its 60th anniversary, alumni want everyone to know that their alma mater is known for more than sports heroes.

To show off some of the non-athletic talent that graduates of this westside high school have to offer, alumni have established the MAROON award, or Merit Award Recognizing Our Own Notables.

"The idea originated with the principal (Raymond C. Finke Jr.) that there have been many people who have graduated from the school who have distinguished themselves in many ways," said Janet Kipp Greiner, alumni coordinator for Western Hills High School. "His rationale was that there are a lot of people who have done noteworthy things, but students and the community at large are simply not aware of them."

Sports figures, such as Cincinnati Reds manager Pete Rose, will not be considered, because they currently are recognized in the school's Hall of Honor, said Mace Justice, a Western Hills High School graduate and retired teacher.

"We feel there's already an avenue for sports," Justice said. "With this award, we want to recognize some of the „others." We've had everyone from judges to mayors to congressmen graduate from our school."

Finke presented his idea to the Western Hills High School Foundation's board of directors, and the board deemed it a worthwhile endeavor.

Finke then appointed a merit award committee made up of himself, and Western Hills graduates Greiner, Justice, Arthur Chesley and Edward Eckel.

Committee members determined that the MAROON award should recognize outstanding achievements in the area of public service. Graduates to be honored should have made important contributions to society through professional, vocational or volunteer endeavors, according to criteria listed in the alumni newsletter.

At an open meeting for Western Hills High School alumni on Aug. 12, the merit award committee will discuss the format for honoring the recipient or recipients of the MAROON award.

Nominations for the 1988 MAROON award will be accepted through Sept. 30. All nominees will remain on file for consideration in subsequent years, and one or more will be selected annually from the list.

For information, contact Western Hills High School Alumni, 2144 Ferguson Road, Cincinnati, Ohio 45238.

Radel's lonely lane takes him to state

BY MIKE WAINSCOTT
Enquirer Contributor

Prep swimming

Western Hills sophomore swimmer Todd Radel is somewhat of a loner, though not entirely by choice.

Friday night at the District meet at Keating Natatorium, Radel swam the fifth-fastest time in the state in the 100-breaststroke (1 minute, .08 seconds) to qualify for this weekend's state championships in Canton, Ohio.

At the district meet, as in most post-season meets, Radel was the lone representative from a high school that is not exactly known for producing good swimmers. In his 14 years at the school, Western Hills coach Gary Heinrich said only three other individual swimmers have qualified for the state meet.

Even the Gamble-Nippert YMCA, where Radel does most of his training, has but one other state qualifier this year.

But Radel has flourished with self-motivation. Three years ago, as a 12-year-old, Radel set a national record in the 50-meter breaststroke. Since then, setting personal and national records has been his motivation.

"(Setting the record) totally surprised me," Radel said. "I had had a really good year and I was swimming well, but I never dreamed I would set a record.

"It might have set me back a little because I probably expected too much out of myself after that," Radel said. "I really became pretty bratty. When I didn't swim as well as I thought I should have, I would get real upset with myself and pout.

"But, I keep setting goals for myself," Radel said, "to give me something to shoot for."

Despite his district time, which was second behind the :59.25 of Anderson's Doug Wharton, Radel was not totally pleased.

"I wanted to swim it under a minute," Radel said.

Radel admits there is virtually no pressure swimming for Western Hills. Mike Nocheck, coach of Gamble-Nippert YMCA, said Radel more than makes up for that with his self-inflicted pressure and high expectations.

Radel expects so much from himself, Nocheck said, that if he doesn't swim well in practice he gets upset at himself sometimes to the point where he over-exaggerates it.

"He wants the attention, but that's probably to be expected because he doesn't get any at his high school," Nocheck said. "He's really a level-headed kid as far as knowing what he wants to do."

This will be Radel's first state meet. Last year, he swam the entire year for Gamble-Nippert. Despite swimming against older and more experienced swimmers this week in Canton, Radel naturally expects to win.

"If you would have asked me a few months ago, I would have said I didn't expect to win," Radel said. "I didn't shave at all at the Districts and I only tapered down a little. I think I'm capable of winning a championship."

BIG DOIN'S FOR 87-88 STUDENT COUNCIL

The 1987-1988 Student Council was a very hard working group of students who participated in several activities that attempted to make Western Hills a better place to be.

Student Council sponsored Spirit Week, The Teachers Talent Show, and Homecoming, which was held at the Convention Center Ballroom.

They also participated in a few community activities. The two most important being the canned food drive, which Mrs. Saylor conquered again by collecting more cans than any other class. And of course the ever popular blood drive. Western Hills was proud in being able to break the record and bring in more blood than ever before.

Above rt.photo features student council officers front row Jackie Venson. Back row lt.-rt. Monic Hill, Lisa McCowan, Ms. Coleman.

Below photo features the many faces of our glamorous Student Council Representatives for the 87-88 school year.

OUNCIL OF PRESIDENTS ACTIVE AS EVER!

The Council of Presidents was a select group of Western Hills High School students who were presidents or captains of organizations and clubs pertaining to West High.

Every third Thursday of the month the council met and enjoyed breakfast in the fourth floor lunch room.

While in session the group discussed the concerns of Western Hills with Mr. Finke and Mr. Jones. Some of the more specific topics they talked about were the "smoking area", and the school levy that was passed this year.

Pictured to the right are the Council of Presidents officers'. Photo: left to right are Lisa Schlasinger, Orlando Smith, and Monic Hill. Below photo features the great many faces of our Council of Presidents for the 87-88 school year.

WESTERNETTES DRILL TEAM 1987-1988

The 1987-88 season for the Westernettes began in November after tryouts for the basketball season. They started their practicing soon after the try outs for the basketball games they would be performing at. A few of the team members attended a summer camp at the University of Kentucky. This is where they learned most of the routines to be performed throughout the year. One important part of the Westernettes season was their competitions. They worked very hard to prepare themselves and deserve recognition for a fine season. Way to go Westernettes!!!

JULIE WADE TRAVELS TO NEW YORK FOR THE MACY'S DAY PARADE

Westernettes member Julie Wade traveled to the Big Apple on November 20 to participate in the 425 member drill team, Macy's Thanksgiving Day Parade. Only drill team officers were eligible from schools attending "Superstar Drill Team Camp" and winning at least two trophies for their team's performances. Julie was the only member from Western Hills and the Western Hills area to participate in the parade. While in New York, Julie's stay consisted of six fun-filled days of sight-seeing, shopping, and practicing. The trip was a joyful, unforgettable experience that Julie is sure to never forget!

VARSITY CHEERLEADERS

The 1987 Varsity cheerleading squad proved to be one of the best ever. As part of their duties, the cheerleaders made pins and posters which decorated the boys locker room. They also served pre-game meals each Friday from LaRosa's. While attending all games, the girls cheered their way through some long gridiron dissappointments. But, nevertheless, they kept up their spirits. During November the Western Hills Press recognized them for their 1st place finish in a National Cheerleading Competition. Despite the football team's season, the cheerleaders remained enthusiastic. A job well done, girls!!!

JR. VARSITY

The basketball season began as usual but the year 1987-88 brought with it a new twist with regards to the cheerleading squad. Tryouts, normally held in May, were now held again in December. After the new basketball cheerleaders were chosen, practice began. Everyone worked very hard to learn all of the cheers and chants that were "a must" in promoting school spirit. Much time was spent during the season for making pins and posters for the players, not to mention practice and the two games a week that the girls had to attend. But it was time well spent; for the new, as well as old, cheerleaders were happier than ever, and this new tradition is sure to become a tradition at West High!

Hey, I've got an idea. Let's form a band . . . I'll play the trombone . . . and I'll be the majorette . . . and it will be wonderful . . .

The Western Hills marching band helps to boost Mustang spirit while providing entertainment to all. The band performs at football games, spirit marches, the Christmas concert, as well as competing in many competitions. The band members are a group of dedicated musicians who practice each day under band director, Mr. Olendick. The hours of hard work pay off and their talents are displayed in the polished performances the band produces.

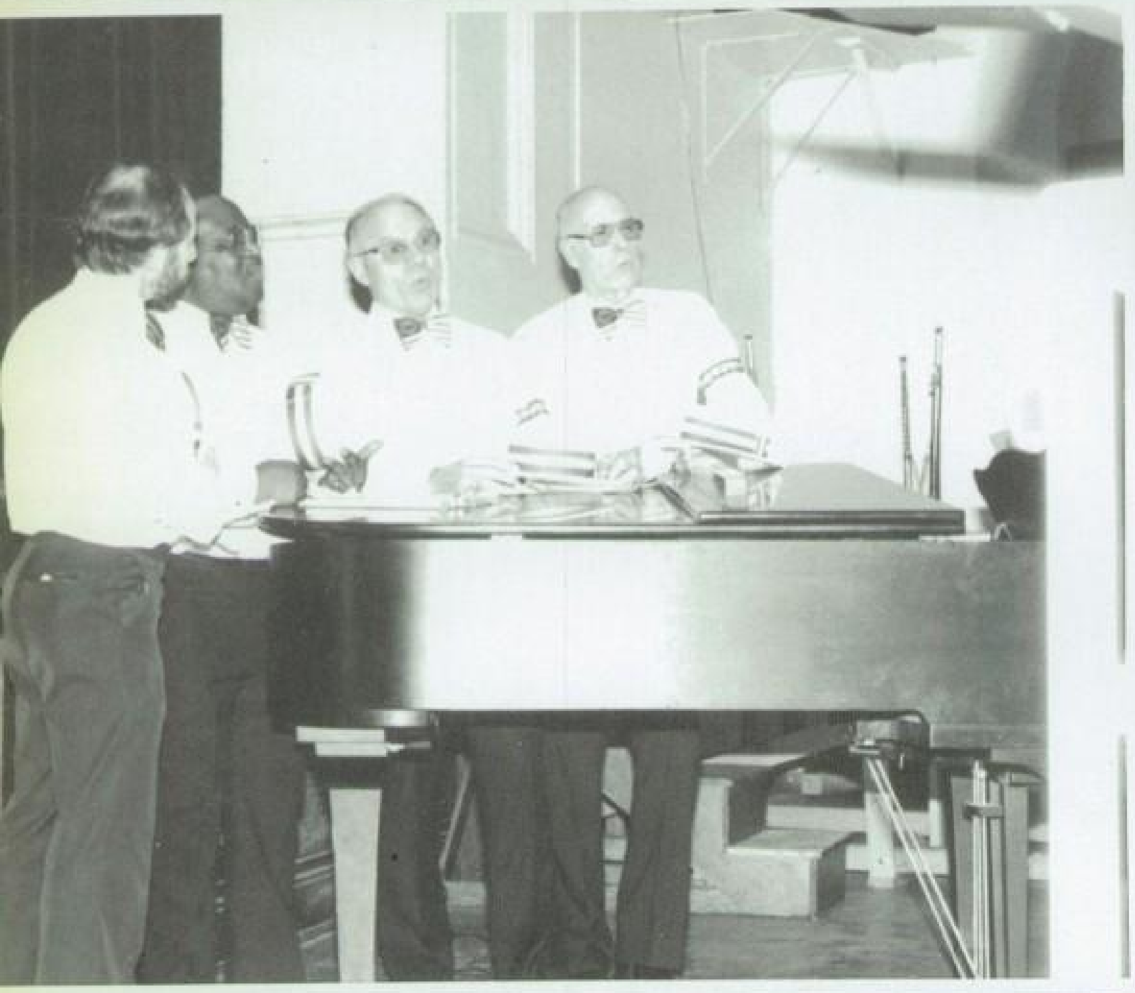
TEACHERS' TALENT SHOW 1987-88



In late January of this past year the Student Council sponsored the Variety Show. The show was coordinated by Ms. Coleman. Talented students and teachers alike performed short sketches. The show was held in the auditorium during the fifth and sixth bells.

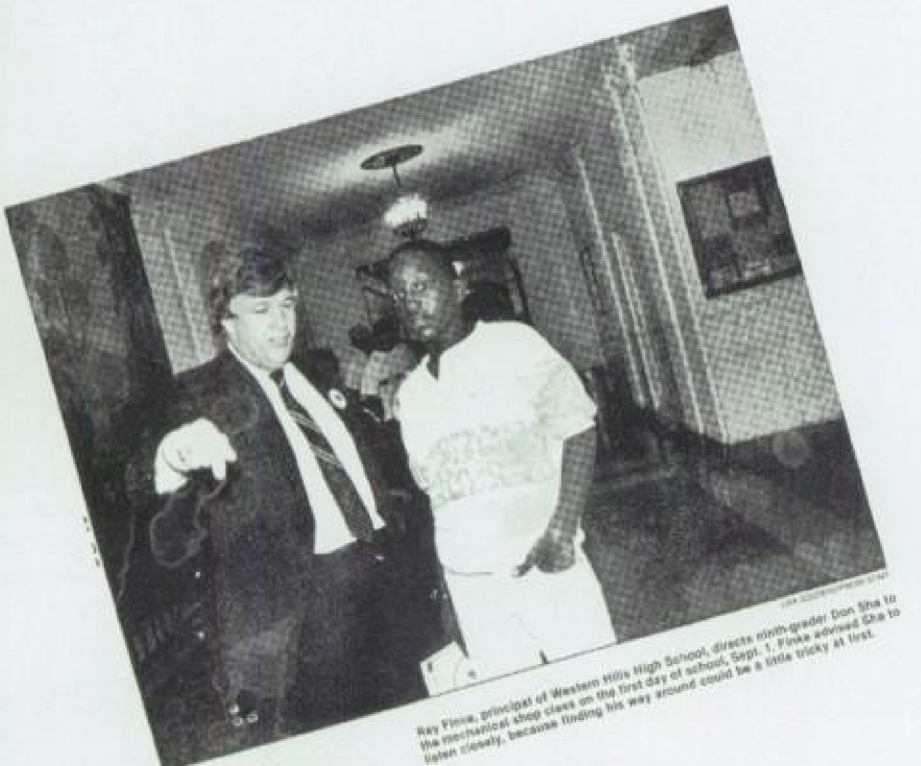
West High Makes The News



Ray Finke, principal of Western Hills High School, directs ninth-grader Don Sha to the mechanical shop class on the first day of school, Sept. 1. Finke advised Sha to listen closely, because finding his way around could be a little tricky at first.

Brotherhood Assembly

On Thursday, February 11 and Friday, February 19, a Brotherhood assembly was held in the West High auditorium. The show times were bells 5 and 6, and the purpose of the assembly was to promote good feelings and brotherhood for the student body of Western Hills. The assembly began with a procession of students clad in the customary dress of their native lands. There was a presentation consisting of performers from the Roving Theatre and special guests were the Withrow High School band and choir. The assembly was a great success!

Sophomores surprize everyone capture "shoe tree" by winning "Anything Goes."

Anything Goes, held on October 28, 1987, was a zany example of the Western Hills spirit. The students signed up and represented their own grade level and, of course, the faculty were in on the act. The traditional events were the three-legged race, the shoe find and the famous bobbing for apples. The apple bobbing got out of hand and the buckets of water were "accidentally" dumped on the faculty. It was a tough but exciting fight for first place but the sophomore class pulled it off. Congratulations Sophomores!!!

"Can't We Try" Homecoming Theme

On Saturday night, November 7, *Homecoming* sponsored by student council, was held at the New Cincinnati Convention Center, Downtown. The festivities began with dinner, at 7:30 p.m. and lasted until around 9:00 p.m. Conversation was pleasant and the food was . . . "interesting". After what was considered to be a fine and hearty meal, several young couples "tripped the light fantastic", while others chatted animatedly with friends. The high point of the evening, however, was when the "forever flexed" Orlando Smith and starry eyed Jackie Miller were crowned King and Queen. Runners-up were Eddie Bergen, Julie Wade and Bridgette Moore.

At 1:00 a.m. when the dance finally came to an end, everyone left with cherished memories of a very special event . . . Homecoming '87!

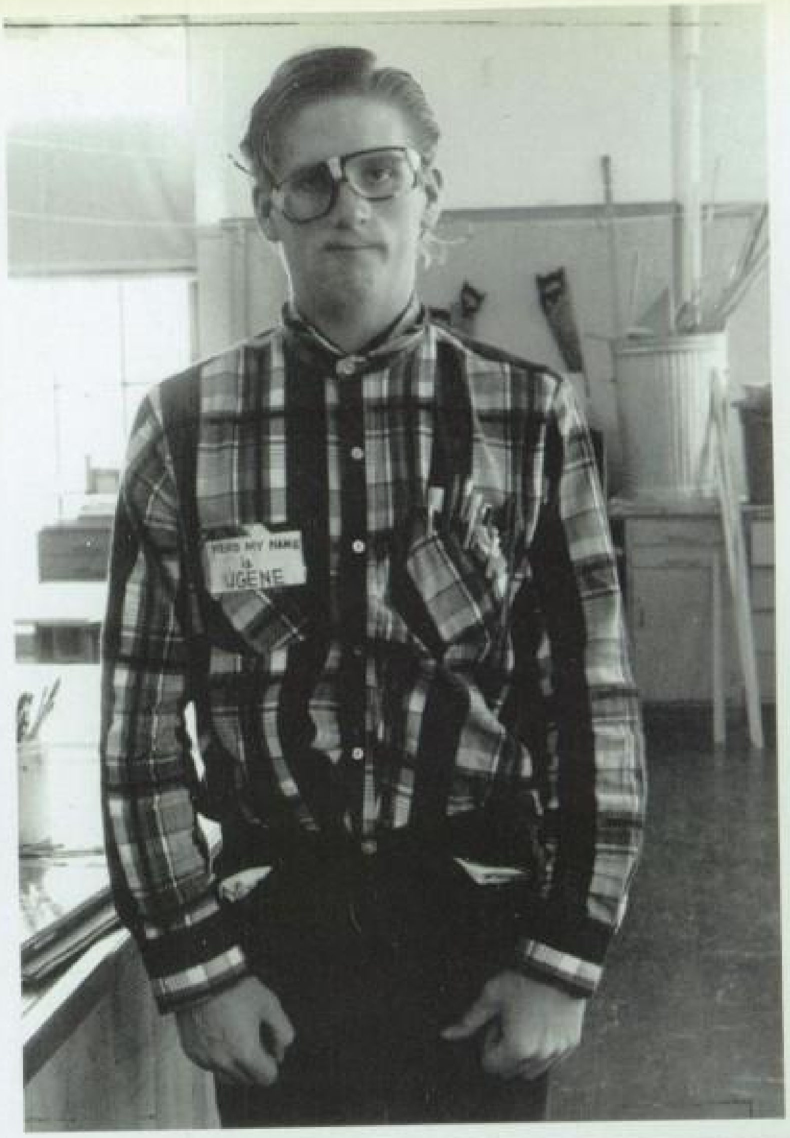
SPIRIT WEEK AT WESTERN HILLS

The week of October 26-October 30, 1987 was Spirit Week for West High. Student Council decided on five very original and fun days for students to show their school spirit. Each day, the students appeared dressed in the attire for the theme of that day. For example, on Monday, "nerd day" everyone came dressed as nerds, etc . . .

MONDAY NERD DAY

Many brave and humanistic students appeared as total geeks for a day. Participation was great! Many thanks to all spirited "nerds," and congratulations to 'Eugene' (pictured right) for his outstanding participation in Spirit Week. Way to go, Eugene!



TUESDAY FAVORITE SPORTS HERO DAY

Although the Bengals were on strike, and the Reds had such a poor season, many spirited students came clad in the garb of their favorite sports hero. Below right: Wouldn't Pete Rose be proud?! Imagine, Dave Parker and Anthony Munoz in the same photo! Only at West High!

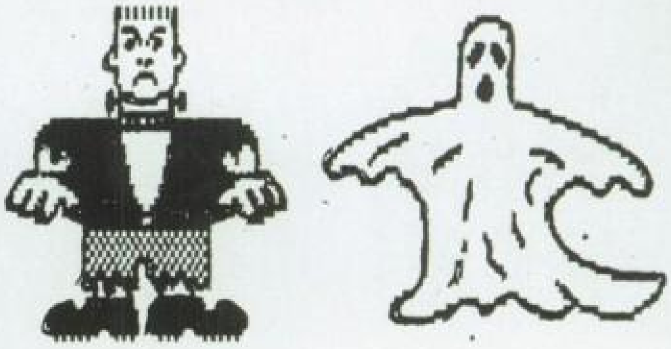
WEDNESDAY BEACH DAY

Despite the coldness outdoors, many avid supporters of Spirit Week showed up in their beach attire and were ready to hit the beach. (Photos: "We showed up in our beach clothes. Take our picture now!" "OK. Brrr!!! Say cheese!"

THURSDAY HALLOWEEN COSTUME DAY

Costumes ranged from students as bumblebees to guys dressed as girls, and various strange critters of the evening. Great show, West High! *"Hey, take a look at my outfit!"*

Above left: Trick or treat?! Above: Goblins, ghosts and witches, and things that go bump in the night. Left: This Halloween group is ready to go grab the goodies!



FRIDAY
SENIOR TOGA DAY/SPIRIT DAY

The end of Spirit Week was met with enthusiasm as seniors wore togas (traditional bedsheets!) to school to show their spirit. The underclass arrived wearing their school colors of maroon and cream and could be seen all day throughout the halls of West High.

Arsenic and Old Lace Fall Offering From Western Hills Thespian Society

This year, the Western Hills High School Thespian Society presented Joseph Kesselring's *Arsenic and Old Lace.* Three performances of the play were given in the auditorium: one in-school performance on Wednesday Nov. 18, and two evening performances on Thursday Nov. 19, and on Friday Nov. 20.

Arsenic and Old Lace is about two eccentric aunts who take away the unhappiness from the lives of elderly persons . . . by poisoning them! Their unstable nephew Teddy "Roosevelt" aids them by digging the Panama Canal in the basement, which serves as a burial place for the deceased—but happy—victims. Their plans are foiled when their nephews Mortimer and Johnny find out about their aunts' scheme. Johnny is upset because his aunt has matched his murder record. Mortimer is upset also because he didn't know about the whole business. The story is further complicated by the confusion over the dead bodies in the house. A recent victim has been hidden in the window-box—the identity of the body keeps changing as Johnny also hides a body in the same box. Meanwhile, Teddy keeps on digging the Panama Canal!

The mayhem continues as the character Elaine is to marry Mortimer, who is preoccupied with hiding the bodies from the police. The play comes to a close as the police raid the house and arrest Johnny after he was identified. Teddy is committed to an insane asylum along with his two aunts, but not before the matron of the asylum is invited to share a glass of Elderberry wine . . . poisoned, as usual!

The students who acted in the play were outstanding. Comic relief was plentiful and drama was intense.*Arsenic and Old Lace* was very enjoyable to watch, and the authenticity was akin to the classic version.

Mrs. Hotchkiss and the cast should be congratulated on a job well done!

MUSTANG

Variety! That was definitely the buz word for *Mustang Mania.* Presented on October 29, 1987 the student performers anxiously awaited the pull of the curtain. The show, subtitled, "A Class Act," brought in an enormous crowd. Everyone who participated in the show, including directors Jackie Miller, Ali Meatchem, Mrs. Barker (advisor), and Julie Carroll (danceline director) worked very hard. Most thanks, however, should go to the students who participated. Without them *Mustang Mania* could not have been produced. So, to all cast and crew members: THANKS!

Honor Assembly
End of the 86-87 School year

During the last week of the school year, the underclass award ceremonies were held in the auditorium. The preceedings began with the customary peldge to the flag, followed with remarks by Mr. Finke. He began by congratulating all those who survived the past year by achieving academic honors. Studio and Senior Choirs graced the audience with their musical abilities and were well received with applause. Most in attendance were underclassmen, as the seniors had their own honors assembly. Awards were given for excellence in academics, perfect attendance, sports organizations, and various clubs gave out awards. Achievers are alive and well at West High!

West High Supports the Needy

The West High student body participated in the Annual Can Food Drive again this year. Hundreds of West High Students brought in canned goods for the needy. Mrs. Saylor's class brought in the most cans and Mr. Monnier's class was the runner-up. This year's collection was, as usual, a great success.

Jermaine, Jackie, Monique, John, Syndee, and Mrs. Coleman show off all the food that was collected.

The W.H.H.S. Music and Drama Departments Presents "Anything Goes" for Spring Musical—1988

On March 24th, 25th, and 26th, 1988, a select group of actors, singers, and dancers performed Cole Porter's "ripoarin" musical, *Anything Goes.* The theme concerned a young girl encountering "deja vous." Planning to marry a young man in England, Hope, played by Jackie Miller, found it difficult to do so because her former beau, Billy Crocker, played by Chris Bales, was on board the ship. Throughout the play hard work and dedication were needed, and once again, under the supervision of Mrs. Barker (music director), Mrs. Hotchkiss (drama director), and Vanessa Torbeck (choreographer), the students did a wonderful job. Practicing virtually everyday after school, several trying situations arose and everyone became somewhat irritated, but it was all worth it, for "heaven knows," "Anything Goes!!!"

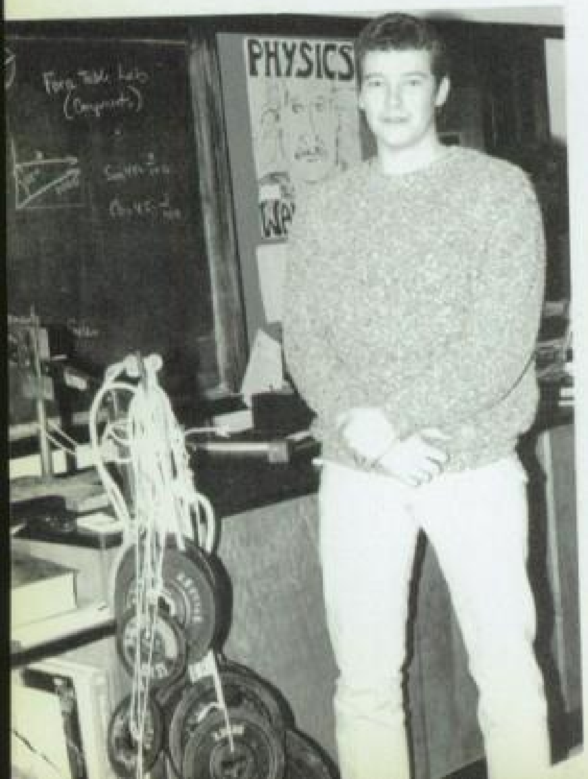
The bridge break is a yearly project that academic physics students are required to do. They are given specifications for the size of the bridge (weight, length, height, etc.) and can construct the bridge anyway they choose within these limits. Each student's design is unique! The bridges must be made of balsa wood and glue—no other material is permitted! Balsa is model airplane wood and the weight of each bridge may not exceed that of the weight of approximately 3 pens. Once the bridges are made, the students bring them in and break them under the amazing "Cruncher" (designed by Miss Horman and built by the metal shop and the vocational welders). Some of the best designed bridges hold as much as 500lbs. of weight before crashing down into splinters. The suspense can be unreal! Weight is added slowly to each bridge until it breaks—NO bridge is left alive at the end of the week.



Extra, Extra, West High Breaks Another Record In Annual Blood Drive

On December 11, 1987, West High held its annual Hoxworth Blood Drive. It was held in the projection room where students and Physicians went to work. Student Council recruited 117 brave students to donate 1 pint of their blood, which broke last year's record. Not only did it break the record, it gave students a chance to help the Hoxworth Blood Center in saving lives. 102 pints were donated this year, hopefully, the record will be broken again next year.

1. How's the blood pressure Doc? 2. Will this hurt? 3. Is it almost over? 4. Stacy looks forward to getting this over. 5. Angela has her blood pressure checked. 6. Temperature's O.K! 7. Now that it's over it wasn't too bad. 8. Looks just fine. 9. Why me? 10. This is fun!!!

IT'S ACADEMIC NATIONAL HONOR SOCIETY

On December 2,1987, Honor Society presented its annual in-school "It's Academic" show.The competition, as always, was between teams representing each grade level and a team of faculty members representing all of the teachers.

The competition started with a match between the freshman team and the sophomore team. A round of questions was asked to the freshmen and to the sophomores separately and each team was given equal time to respond. Next, a slew of questions was given and the team to buzz in first was given the chance to answer. Questions were challenging, and the team efforts were good. The sophomores finally came out victorious. The second competition was between the team of juniors and the team of seniors. The same rules applied to these teams as to the freshmen and sophomores; the questions were equally challenging, and the teams were equally compatible. The seniors, however, were victorious. The final competition was between the two winners of the previous matches (the sophomores and the seniors) and also a group of teachers. This was an exciting round, as students feared a teacher-related victory, but as eloquent Mrs. Saylor demanded particularly tricky responses to the questions, the true champions showed themselves,and the seniors were once again victorious.

60th Anniversary Friday—Open House

On Friday February 26, 1988, there was an Open House for West High alumni from the past 60 years of the school's history. Tours for the alumni were offered by the National Honor Society, and members of this year's Annual Staff devoted their Friday night to selling time-line suppliments commemorating West High's 60 Year Anniversary. The choir and band performed in the Main Auditorium, and the vocational students baked several cakes for all to enjoy. Several teachers were also available to greet former students.

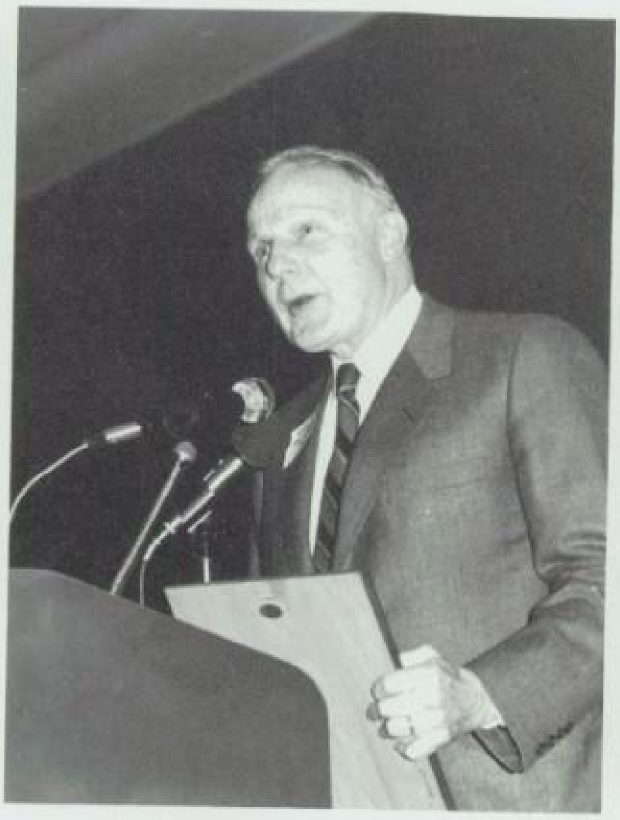
Saturday February 27, 1988—60th Anniversary Reunion

Western Hills High School celebrated its 60th Anniversary with an Alumni celebration which was held over two consecutive evenings. The first night, Friday Feb. 26, the festivities were held at the school. Alumni gathered for a musical program and an open house at which they could view the changes which have occurred at Dear Old West High. Saturday night, a dinner was held at the Convention Center Ball Room. Three who attended were honored with the Maroon Award. This award honors life accomplishments of past graduates.

Recepient of The Maroon Award: Dr. Connie Dettmer was awarded for her work in cancer research and with Hospice.



Recepient of The Maroon Award: Eugene P. Ruehlmann, one-time mayor of Cincinnati. Awarded for his Achievements in politics.

Recepient of The Maroon Award: Jack Schiff Sr. awarded for his success in business and as President of the Cincinnati Art Museum. Above: Jack Schiff Jr. accepting award for his father.

Marvin R. Renshaw

1921-1988

Principal of Western Hills High School
From August 1971 to July 1980

This page is dedicated to the memory of one-time Western Hills High School principal, Marvin R. Renshaw (1971-1980), who passed away February 2, 1988. Mr. Renshaw came to Western Hills (his last career assignment) after a four year tenure at Withrow High School, where he was also principal. Some of the changes which occurred under Mr. Renshaw included an open enrollment policy and the construction of a new vocational wing which integrated into the existing school curriculum so that it would not become a separate entity. Those who came under Mr. Renshaw's charge remember him as a caring and dedicated headmaster who showed concern and compassion for the public school students of Cincinnati and in particular, the student body of Western Hills High School.
